

Bio: I am a PhD candidate at the Faculty of History and Philosophy of Babeş-Bolyai University in Cluj-Napoca, Romania. In my thesis I deal with the topic of banditry in early modern Romania, favoring a more sociological approach but also employing the methods cultural history. I have published several studies on the matter in some academic journals from Romania (in both Romanian and English): *Imagined and Real Bandits. Robbers and Hajduks in the Travel Literature of the XVIIIth and XIXth Centuries concerning the Romanian Countries*, in „Studia Universitatis Cibiniensis - Series Historica”, vol. X, Supplement, Sibiu, 2013, pp. 99-112; *Boierii și haiducii: De la dușmănie la cârdășie [The Boyars and the Hajduks: From enmity to coloboration]*, In „Seminatores In Artium Liberalium Agro Studia In Honorem Et Memoriam Barbu Ștefănescu”, Editura Academiei Române, Editura Muzeului Țării Crișurilor, Oradea, 2014, pp. 81-89.
